

# Cross-Over Zone™ TRACK PROTECTOR

***Football cleats and other traffic can damage modern track surfaces.***

This tough breathable cover protects your costly track material by resisting and cushioning against steel tipped cleats and other shoes, yet allows rain to drain through. *Its entire edge is wrapped in vinyl with galvanized steel chain inserted all around for ballast. This keeps the Protector in place and virtually wind-proof WITHOUT STAKES OR STAPLES that damage the track.* Cross-Over Zone™ Protectors are black with gold (G) or white (W) edging for safety and durability.

ITEM NO.	SIZE	WT. - lbs.
3663	15' x 30'	90
3664	15' x 40'	113
3665	15' x 50'	136

# Bench Zone™ SIDELINE TURF PROTECTOR

## FEATURES

- Protects sideline turf in concentrated football and soccer bench areas.
  - Tough, durable industrial grade vinyl coated polyester OPEN MESH material.
  - Sunlight and rain penetrate through, but STEEL TIPPED CLEATS cannot.
  - Does not retain water like non-woven fabrics (that double in weight when wet).
  - Can be digitally imprinted in multi-colors up to 10' x 40' in size.
  - Easy to install, remove, and store.
  - Standard Color: Light Gray
- Grommets every 3' all around.
  - Custom colors & sizes available.
